On clear days we can already get a glance of the snow capped mountain after 60km along the Mombasa Road. On the last 100km we may see ostriches, giraffes and zebras. After checking in at the Garden Resort we proceed to our picnic lunch at the waterfall close to the Tanzanian border along the canyon of the Nalemoru River. After lunch we can opt to walk leisurley the 3 km back to the hotel through Loitokitok town where Kenyan and Tanzanian local traders trade their wares.
